## THE FRIBERG FKT COOKER

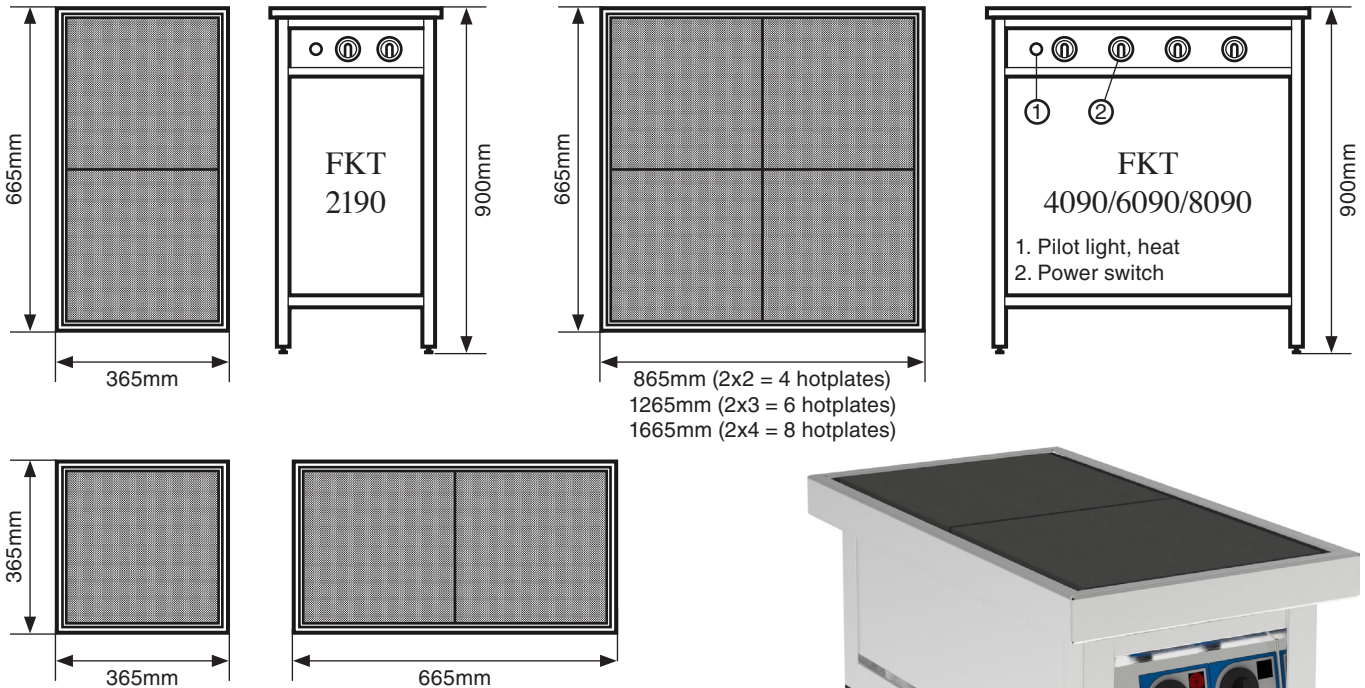

Comes with one, two, six or eight square hotplates. The cookers are renowned within the Scandinavian catering services for their robust design and top quality sturdy hotplates that allow long periods of use.

An easy to use and clean, safe, effective cooker with a high heating effect for rapid warming.

## THE FRIBERG FKT COOKER

Hob tables are very practical and are often used to complement other kitchen equipment or when a simple economic solution is required for cooking large amounts. The square hotplates are heavy duty and can be left on without a pan on the plate. Recommended during heavy use.
