

KENWOOD

CHEF/MAJOR

pro slicer / grater

AT340 *attachment*

The KENWOOD CHEF can be customised by adding any of our optional attachments to suit different tastes and skill levels. KENWOOD CHEF attachments have been developed to deliver good, consistent results time after time.

pro slicer / grater AT340

Key features and benefits

- **Highly accurate slicing/shredding and grating using durable stainless steel blades for professional results**
- **Extensive variety of functions such as: thick slicing (ideal for vegetables used in stir fries), coarse shredding (perfect for cheese/salad/coleslaw), thin slicing (for gourmet dishes with fennel), and thin chipper (delicate julienne style cut)**
- **Specially designed without a bowl for a continuous action for large quantities**
