

For iCombi Pro, iCombi Classic and SelfCookingCenter with
Efficient CareControl.

Care substances actively protect against limescale in the steam generator and in the cooking cabinet before it even forms and extend the lifetime of the cooking system. Operational reliability without a water softener and time-consuming descaling.

Care tab (for iCombi Pro, iCombi Classic and SelfCookingCenter with Efficient CareControl)	N°
Care tabs, 150 pcs	56.00.562
