

CITRUS JUICER

SINCE 1954

The citrus juicer #71C is easy to use and very silent.

To use everywhere you need a fresh squeezed citrus juice: health food stores, hotels, bars, restaurants, cafeterias, ice cream shops, institutions, hospitals and even at home.

THE PROFESSIONAL ART OF JUICING SINCE 1954

You will find the citrus juicer of your need to make citrus juices either in a glass or in a jug.

Equipped with powerful asynchronous motors, these appliances allow you to squeeze all types of citrus: lime, lemon, orange or grapefruit.

All of these juicers are easy to use and clean: all the parts which are in contact with the fruits are removable.

30l/h

#71C

EASY TO USE - EASY TO CLEAN - COMPLETELY SAFE

www.santos.fr

A juicer that you can clean quickly and easily.

Just wash the main different parts of the top that you can remove from the base in a simple movement: bowl, grid, ring and squeezer.

60 years of wordlwide experience on the juice market: all Santos juicers keep flavour and all vitamins from fruits.
