

DS 1000 mobil

Small Capacity Washing Machine

Bubble wash of
crunchy lettuce, delicate herbs,
fruit and vegetables

DS 1000 mobil is a batch type washing machine :

- for gentle washing crunchy lettuce, delicate herbs, fruit and any kind of vegetables
- for dipping / treating peeled or cut fruit or vegetables

Stepless adjustment of wash intensity. This way, small quantities are washed just as thoroughly as by hand.

As a standard, the DS 1000 mobil is supplied with a mobile support for optimal application at different locations.

The solid industrial machine is completely made of stainless steel AISI 304 or FDA approved plastics (all parts that are in contact with food) and can easily be cleaned and maintained.

DS 1000 mobil and K 50 spinner make a perfect team !
(Baskets can be used for both machines)
