

Description

Allesschneider »Traditional«

- with strong suction foot
- with ground round knife made of stainless steel
- slide and leftover holder for safe working
- space-saving collapsible

Cutting effortlessly and quickly

The practical all-purpose slicer with polished round knife made of stainless-steel cuts bread, salad heads, sausage and Co safely into even slices - and without much effort. Thanks to the variable screw, the cutting strength can be adjusted individually, and the suction cup gives a firm hold when working. After the work is done, the universal helper is folded up to save space and easily stowed away in the kitchen cabinet.

Reliable and high-quality kitchen helpers

Westmark kitchen aids stand for function. For decades, we have been manufacturing kitchen aids that offer long-term functionality and are therefore appreciated in both hobby and professional kitchens. Give it a try.
