Built for heavy use

Easy-to-use touch controls and programmable memory keep regular dishes moving. Express Defrost, double-quantity cooking and three-stage sequences add flexibility, while the stackable design makes efficient use of space.

- Touch control panel
- Twin stirrer fan
- Stackable design
- Stainless steel inside and out

Technical specifications

R24ATR / Professional microwave oven

SHARP

PERFORMANCE

Microwave output	1,900 W
Power levels	11
Cooking sequence	3 stages
Electrical rating	2.9 kW

DESIGN & CONTROLS

Control type	Touch
