

Warming plate

Material warm-keeping surface: Stainless steel

- Temperature range: 35 °C to 95 °C
- Temperature control: Thermostatic
- Power load: 0,6 kW | 230 V | 50 Hz
- Control unit: Electronic
- Control lamp: yes
- ON/OFF switch: Yes
- Thermostat: Yes
- Material warming plate: Stainless steel
- Properties: -
- Material: Stainless steel
- Suitable for permanent commercial use: Yes
- Important information: -
- Size: W 1.000 x D 500 x H 64 mm
- Weight: 16,5 Kg
