

15th May 2024

To whom it may concern,

Nordisk machines that are produced today, Granule Maxi, Granule Flexi, Granule Gastro, Granule Combi, Granule Smart+, Granule Smart and C6 do all function after the hygiene guidelines in DIN 10512 and NSF/ANSI 3.

Granule Maxi can as well be ordered in a certified NSF/ANSI 3 version.

Best regards

Sincerely,

Pontus Nordfeldt

Business Unit Manager Granule Technology
